

RYANA CALENDARS

Supervisor.	MISS IFRAH HAIDER	
Batch.	2212B1	
Group.	D	
Serial No.	Enrollment Number	Student Name
1.	Student1436356	Fareed
2.	Student1441475	Daniyal Hasan Mughal
3.	Student1445742	Sabeer Khan
4.	Student1440364	Nathan Shakeel

ACKNOWLEDGEMENT

The first, we would like to express my special thanks of gratitude to my teacher MISS IFRAH HAIDER. who helped us a lot in finalizing this project within the limited time frame, valuable counselling and assistance for the accomplishment of this project.

Secondly we would also like to thank the eProject team at Aptech Head Office, who gave us the golden opportunity to do this wonderful project about Aura Watch.

Thirdly, we also thank the eProject team, some of the benefits are as under:

- Re-enforcement of skills happens in the experiential learning process.□
- A mentor, ensuring that we do not get drifted, constantly guides us.□
- It gives us a lot of confidence to face an interview as we have worked on a project. We can explain virtually everything on the subject we have learnt.□

SYNOPSIS

Follow the strong development of the internet, technology and the growing calendars & diaries market, every business needs a website design to display products on the internet.

The following Ryana product are designed with many different designs, suitable for all styles and preferences, which are the most special suggestions from RYANA CALENDARS.

Attached are the introductions hidden behind the watch gift from the gift you want to send to your lover, colleagues or loved ones.

So Ryana Calendars shares the best product images through the website for everyone to know.

However, purchases are not made directly on the website.

PROBLEM DEFINITION

Ryana Calendars is selling various Calendars and Diary products. The company advertises by distributing the pamphlets, advertising on television and so on. Due to rapid development in internet field, the company decides to launch a website where people will get all the information about the various products available with them easily.

CUSTOMER REQUIREMENT SPECIFICATION (CRS)

- ❖ The Home Page should be created making use of Sections with a suitable logo
- ❖ The site should display a menu which will contain the options for brief
- ❖ introduction about the various products available, location of the shop and
- ❖ any other information if required.
- ❖ The information should be categorized according to different type of products
- ❖ like if a User wants to see only 'Journal' then he click on a Link/button/menu
- ❖ etc and he will see different type of Journal. Similarly for 'Calendars', 'Diaries'
- ❖ and other products
- ❖ When a user selects any product type, a list of products for that product type
- ❖ will be displayed.
- ❖ A brief summary of features of individual products should be displayed on the
- ❖ Web Page along with the product but detailed Features should be stored in
- ❖ Individual Word documents which can be downloaded or viewed by the User
- ❖ who wishes to see the same.
- ❖ Price List should be available for download.
- ❖ There should be a "Contact Us" page which will have the Address of the
- ❖ Company which is as follows and the mail address which when clicked will
- ❖ invoke the local mail client from where they can send an email.

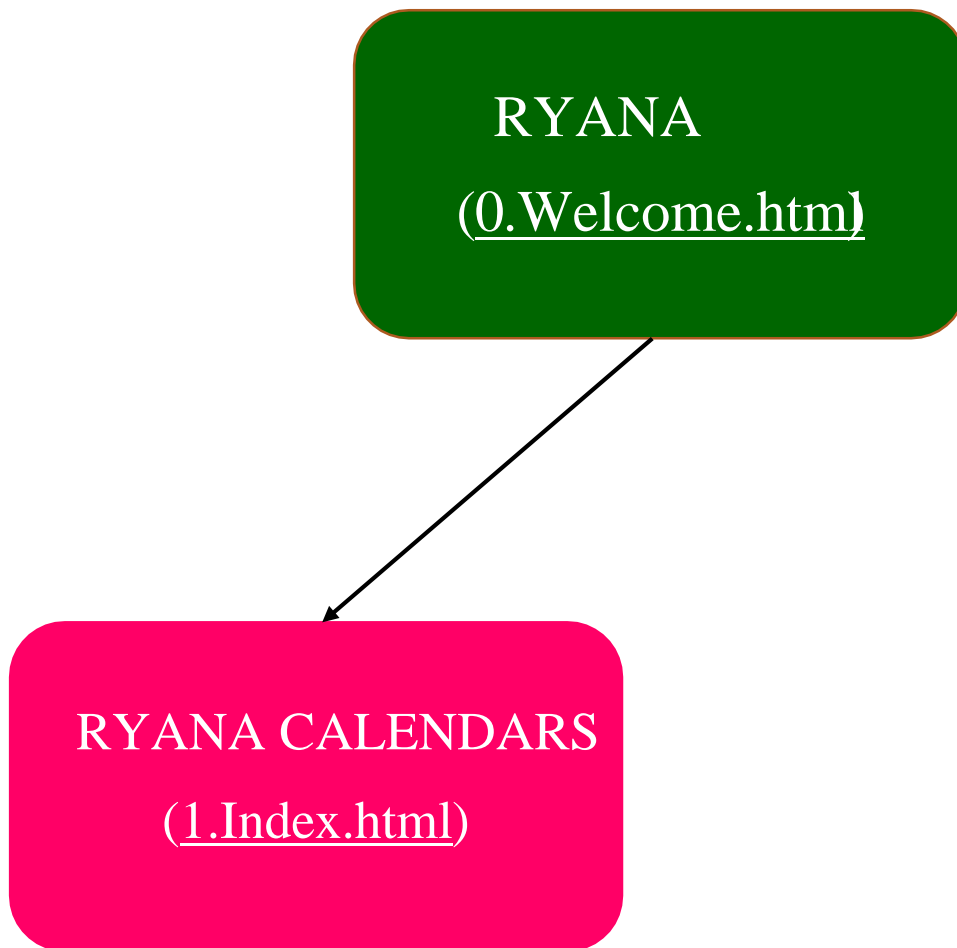

SCOPE OF THE WORK (IN BRIEF)

The website is to be developed for the Windows Platform using HTML5, JavaScript and Geolocation. The site should work well in all leading browsers including Chrome, IE, Firefox etc.

Homepage show Top best sell items, big sale, collection, new shop...

Every content direct to relative content.
